

PROM BIDS TO GO ON SALE NOVEMBER 12

Three Days' Vacation Welcomed

Because Armistice Day falls on Monday, the students of S.J.C. will enjoy three glorious days of vacation.

The Pep Club dance, scheduled for Monday night, Armistice Day, after the Stockton game, has been called off. The reason for this change in plans is that Monday night is a school night and the gym would have to be cleaned immediately following the dance causing many students to lose much sleep which would interfere with their school work.

Though three days of vacation are in store, students are reminded that the second mid-terms will begin next week. Some students will take advantage of this holiday to prepare for the second mid-terms which will probably begin on Tuesday of next week. These mid-terms will be the last exams before finals start in January, so all students who are on the border line should realize that over half of the semester has been completed.

The Pi Delta Kappa-Gamma Nu Barn Dance tonight and the big game following the Legionnaires' Armistice Day celebration Monday night are great temptations to draw the student away from his books.

Program Will Precede Game Monday Eve

Big doings are on tap for Salinas this Monday, Armistice Day, November 11.

The American Legion, under the direction of Post Commander Roy M. McKenney, will present a holiday celebration as pre-game ceremonies to the Salinas Junior College-Stockton Junior College football game, beginning at 7:45 o'clock.

All action will be packed into a solid nine minutes, which will include the presentation of the colors by the Legion, a chaplain will then offer a prayer for the world. The Salinas Junior College band will then play the Star Spangled Banner, after which will come 30 seconds of complete silence to honor the American war dead. The retiring of the colors will then take place, followed by the football game.

There will be no half-time celebration, except for the usual appearance of the Salinas J.C. marching band and Mr. Darwin

PREMIERE APPROACHES FOR PLAY

Jaysee dramatists are moving into the last month of rehearsal for the fall production, "The Barretts of Wimpole Street." December 12 is the opening night for the play.

This story concerning the life of Elizabeth Barrett and her suitor, Robert Browning, has been presented to many New York audiences, and on other stages throughout the United States. Carmen Mercante and Charles Link play the leading roles for the Jaysee production.

Having rehearsed Acts I and II diligently for the past six weeks, the actors this week have advanced into Act III. Following the completion of the memorizing of lines in this scene, the remaining weeks will be spent in putting the play together for coherence and polishing and rehearsing with full props and costumes.

Other members of the cast include Holt Wood as Mr. Barrett, Jack Shapiro as Octavius Barrett, Peggy Anne Taylor as Henrietta Barrett, Jacquie Anderson as Arabella Barrett, William Kaas as George Barrett, Pat Smythe as Mr. Kenyon, Jean Emery and Mary Lou Riordan as the per-

(Continued on Page 2)

Second Midterms Begin Following 3-Day Holiday

The second mid-terms will begin next week after the return of the students from the three-day holiday starting tomorrow.

The second mid-terms mark the last time to bring up those test averages before finals begin in January. The students who need the time will have three days in which to prepare themselves for the exams coming up next week.

Some instructors are giving exams this week on Friday but the majority of exams will be given next week.

WSSF Drive Underway No Goal To Be Set States Chairman Link

"A goal for the W.S.S.F. fund in Salinas Junior College has not and will not be set," stated Charles Link, chairman of the W.S.S.F. committee for Jaysee. The reasons he gave were that if the goal was set too high, the students would quit before beginning, and if it was set too low, following the attainment of the goal, the contributions would go slack.

This year, as in last year's drive, the same questions have been put to the student members of the committee. "Who benefits from the fund?" "What do they get?" "Why do WE have to help them?"

"Who benefits from the fund?" The college students of Europe and China who so desperately WANT any education they can possibly have. The Chinese have carried into the back country of

their nation their equipment, as scarce and as inadequate as it is, on their backs. Upon reaching a place of safety, they set up classes for an hour, two hours, however long they could without placing themselves in danger. The European students have no back country, but they wanted so sincerely to learn they went to the well-known underground and established their classes.

Now, the European students are liberated, but they have no materials, no clothes, no food, no schools, and most of them have

(Continued on Page 3)

SWINGSTERS OFFER BAND NOVEMBER 22

Sincere wishes to aid the W.S.S.F. drive were made by a small group of Salinas Jaysee and high school students. The group is Bill Cordes and his Swingsters, and through Keith Daugherty, a member of the dance band, their services were offered at the Alpha Gamma Sigma-W.S.S.F. dance.

The dance, a homecoming affair, will climax the W.S.S.F. drive in Salinas Junior College on November 22.

Miss Roosenburg's Plea for Needy Students of World Well Received

Miss Henrietta Roosenburg made a plea for the needy students of the world in a very interesting talk at a student assembly held in the men's gym at 1 o'clock on Monday afternoon, November 4.

Miss Roosenburg recently came from Holland, her homeland. She has personally witnessed the German destruction of schools and has seen the students strive for democracy under the oppressive

Ball To Be At Rio Del Mar Hotel

The biggest news coming out of social activity meetings this week is the announcement of the date for the Winter Ball. The Winter Ball will be held at the Rio Del Mar Hotel, Friday evening, December 20. Bids will go on sale Tuesday of next week.

Completing negotiations last week, Commissioner Social Activities, Walt Trotter, announced that the main dining room of the exclusive Rio Del Mar Hotel will be reserved in its entirety for use by J.C. students for the occasion.

The price of each bid will be \$7.00. One bid will admit both the escort and his date. Included in the price of the bid are a five-course dinner (fish will be served

(Continued on Page 2)

S.J.C. TO HOST CONFERENCE NOVEMBER 30

Associated Students of the Salinas Junior College have been selected to host for a United California Junior College Council Conference to take place here, November 30. The conference will be the first of its kind in California, and will be held for the purpose of getting junior college student body presidents and vice-presidents together for group discussion of contemporary junior college problems.

Pasadena Junior College, sending out circular letters a few weeks back to find a suitable place for the conference, decided upon Salinas J.C. for being the conference head. Salinas has accepted the responsibility and honor of being chosen and has already begun plans for this day.

The Student Commissioners are making plans for registration, meetings, the noon lunch, afternoon meetings, and evening entertainment. Letters are being sent to all J.C.'s in California for approval of their plans.

rule of the enemy. Miss Roosenburg stated that the students realized for the first time that they had to give leadership. They printed illegal newspapers and identity cards; they risked, and many lost, their lives helping Jewish, American, and English refugees.

Miss Roosenburg was active

EDITORIALS

Drinking Plus Dancing Equals No Dances . . .

When it comes to drinking, some Salinas Junior College students do not know the meaning of the word "moderation." To have a drink may generally be conceded as being enjoyable, but to be drunk is wholeheartedly looked upon by all, except the drinker, as being disgusting.

Possibly exaggerated, but with some element of truth, was a painting of the "Drunkard's Progress," which appeared in a recent issue of "Life" magazine. It showed the life of a drunkard in nine stages: (1) a glass with a friend, (2) a glass to keep the cold out, (3) a glass too much, (4) drunk and riotous, (5) the summit—jolly companionship, a confirmed drunkard, (6) the downward trail—poverty and disease, (7) forsaken by friends, (8) desperation and crime, and (9) death by suicide.

Regardless of which of the nine steps the drinkers of the college are standing upon, several things will apply to each one of them. These facts are verified and will be enforced if past events are repeated.

Any student found drinking on jaysee premises will be expelled immediately from college. Any outsider appearing drunk on the jaysee grounds at any time will be forced to leave immediately and will not be allowed to return at any time to the grounds. Concerning group enforcement of rules, as well as individual regulations, it is stated that if any more drinking occurs at postgame dances, in fact, any affairs held at the college, an immediate **STOP** will be put to any more social affairs to take place at the college.

The penalty is severe, but so is the offense.

The one **UNFAIR** thing of this whole situation is that the majority of students in college will be forced to pay the penalty being imposed because of the immoderate actions of a very few.

Dishonest Persons Roam Jaysee Halls . . .

It is difficult to understand how some young women of Salinas Junior College can stoop to petty thievery. If they are intelligent enough to attend junior college, they should surely be intelligent enough to overcome a background which might lead to such lowness.

Petty theft is uncontrolled greed; greed has even caused wars. We are supposed to be living in a democracy where every man is created equal. Why do some have to lower their standing for a dollar or two literally out of another's purse? Are there some people here in S.J.C. who actually have not yet acquired a sense of righteousness nor learned to respect another's property?

Money and other valuables have been stolen this year from purses in the women's gym. It was bad enough to have such things happen in high school. Surely it is even more disgraceful for young college women to display dishonorable character. Let's stop this trouble before it gets any worse. Don't invite thievery by leaving your valuables within the reach of those who cannot resist temptation.

If you see someone take something which doesn't belong to him or her, it is your duty to report the act to a faculty member. It is hard to incriminate a person, but it is for the protection of the innocent students.

Also, in connection with losing things, it may be mentioned that the lost and found department in the main office is for student use. If you find a lost article, turn it in to the lost and found. If you lose something, you might find it in the lost and found. Remember that "finders keepers, losers weepers" belongs in grammar school, not here.

BALL . . .

(Continued From Page 1)
to those so desiring), the hotel reservation, dancing to Hal Pruden's orchestra, and the lack of

competition from hotel guests on both the dance floor and in the process of ordering meals.

This year's plans are definitely the most elaborate in the last five years, Trotter said.

The Rio Del Mar is located on shores of the Monterey Bay near Aptos, which is located a few miles this side of Santa Cruz.

Walt Trotter urges that everyone purchase his bid as quickly as possible. Seating arrangements, place cards, and other details can be completed only when all bids are purchased. Six weeks is not too far off, when preparing for an occasion like this.

The husband who knows his wife tells us that the last thing in men's clothing is women.

Cut Down on 'Cokes' and Send Books to Europe

When Charles Link heard that 2,400 nickels had been placed in Salinas Junior College coke machines in the last month, his immediate reaction followed closely along the lines of his present job as chairman of the W.S.S.F. committee.

Charlie, after a few hasty computations, stated in a letter to the student body, that the 2400 nickels would purchase 30 textbooks, 20 binders, 200 tablets, and 500 pencils for use by deprived students overseas. He went on further to write that it was the lack of these items that makes learning virtually an impossibility in many European and Asiatic countries.

"The phrase 'fellow students' once referred to those in our own class at school; an address to 'fellow students' now is to the members of a common educational system operating throughout the world," Charlie added.

"Student contribution to the World Student Service Fund (W.S.S.F.) will signify their willingness to bring about a better world," ended Charlie in his letter.

PROGRAM . . .

(Continued From Page 1)

Peavy's girl tumblers.

S.J.C. Students are urged to attend the game and to take part in the holiday celebration.

Mr. John Lemos announced that arrangements have been made to have one bus from Monterey and one from Santa Cruz to transport rooters, players, and band members.

The Monterey Peninsula bus will leave Carmel at 4:30 p.m., going through Monterey, Pacific Grove, and then to the J.C.

The Santa Cruz special will also leave at 4:30, and pass thru Watsonville.

JACK SHAPIRO ON PROGRAM

Jack Shapiro, veteran-student at the junior college, was a featured artist on the "Friends of Music" program Tuesday evening, November 5. Mr. Shapiro presented three readings, one with piano accompaniment.

Mr. Shapiro's dramatic background includes appearances in grammar school productions, and master of ceremonies spot in "The Saturday Night Show" in the Tokyo-Yokohama area of Japan during his service in the army. Mr. Shapiro helped produce these shows, occasionally writing them himself.

Since his discharge from the army, the talented local man has furthered his interest in dramatics by majoring in dramatic subjects at the J.C. and being scheduled to play Elizabeth Barrett's younger brother in the coming production, "The Barretts of Wimpole Street."

Next year, he plans on continuing his studies at the University of California at Berkeley with a course in dramatics and radio dramatics.

PLAY . . .

(Continued From Page 1)

sonal maids, Wilson and Milly, and Minnie Belle Walker as Miss Mitford.

Miss Fraser stated that the dramatics department chose this famous but very difficult play because of the large amount of well-trained and experienced jaysee actors and actresses in the casts.

SCHOLARSHIP REQUIREMENTS REPORTED BY DEAN HANDLEY

The Academic Council of Salinas Junior College reviews the minimum scholarship requirements for students enrolled at S.J.C. The council consists of Dean June Handley, chairman; and Deans Luella Hall, Claud Addison, Henry Cassady, and B. L. Borough.

Minimum Scholarship Requirements

PROBATION—A student will be placed on probation: (1) If, at the close of his first semester, his record shows a total deficiency of six or more grade points; or (2) if at the close of any subsequent semester, his grade point average is less than 1 (a "C" average), computed on all courses taken in this college for which he has received a final report.

DISMISSAL—A student will be subject to dismissal: (1) If

while on probation his grade-point average for the work undertaken during any semester falls below 1 (a "C" average), or (2) if, after two semesters of probationary status, he has not obtained a grade-point average of 1 (a "C" average), computed on the total of all courses undertaken in this college for which he has received a final report.

UNIT LOAD—Any student who is on probation must carry a minimum load of ten (10) units per semester.

APPEAL—Any student who receives a notice of probation or dismissal may petition the Academic Council for a hearing. Ordinarily students dismissed for unsatisfactory scholarship will be excluded from the college for a period of at least one semester.

Thinking Out Loud

By PEGGY ANNE TAYLOR

Salinas Junior College club meetings are for the students. If they are to be successful, students must attend the meetings.

Many students in college have, when asked why they do not attend a certain club meeting, remarked, "Oh, I'm not a member of that club. I've never joined."

It should be pointed out here that practically every club in the college is open to anyone really wishing to take part.

For only women, but ALL women, are the Upsilon Gamma Chi and the Women's Athletic Association. Clubs for women which adopt membership with just a few restrictions are: Soroptimist, Home Economics, and Rainbow.

Men may attend Men's Club, and, if holders of a block, the Block "S."

Remaining organizations are open to both men and women with one, or possibly two or three, restrictions: Alpha Gamma Sigma, Alpha Delta Epsilon, Associated Student Body, Newman Club, Westminster Club, Pep Club, and Ski Club.

Students are urged to check into the requirements for entrance into clubs that they may be interested in, and to appear at all meetings for which they are qualified.

Every man and every woman in college should attend regularly the Men's Club and U.G.C. meetings, respectively.

ON OTHER CAMPUSES

SAN FRANCISCO STATE —

San Francisco State College, like S.J.C., is having an Alumni Homecoming. A whole week end will be spent showing the ex-students the present campus and the site of the new campus at Lake Merced. Dinners given by various organizations for the alumni will be climaxed by the Chico State football game.

SAN MATEO J.C. —

Many San Mateo J.C. students took part in the County Fiesta in September. Participating in a publicity stunt were 79 girls and 16 boys. A C-47 winged in at 300 feet, dropping parachutes loaded with gardenias into this group of S.M.J.C. students who immediately took the gardenias to the spectators in the grand stand.

SAN BERNARDINO J.C. —

San Bernardino Valley J.C. is also celebrating "Alumni Homecoming Week." A queen and four attendants will be elected to reign over all assemblies for one week.

CAMPUS CLOTHES

By
PATTIE WEATHERBIE

Unadorned frosh heads appear once more on week ends while dinks remain unwanted and unneeded at home until Monday.

In the dimness of last Friday's dance, quite a few outfits were bold enough to shine through in the dark. Helen Cunningham's plaid yellow, black, and blue all-around pleated skirt swirled gaily as she danced with hubby, Marion. Marion looked especially nice himself in a blue and light brown line check sport jacket sporting a wine-colored tie!

Majorette Jackie Felman, dancing with Chet Garner, was seen in a long sleeved brown dress with red and green diagonal stripes richly trimming the bodice and large pockets.

On Saturday night, the Rio Del Mar, this year's "Winter Ball" site, was the chosen spot by a surprising number of Jayseers. Helen Schalow looked as cool as lettuce in a light gray silk jersey dress with those brief sleeves. Char-treuse and white striped the bodice at an angle for the simple dramatic touch. Helen's date, Harold Jensen, looked sharp in a very nice gray gabardine suit complete with bowtie and sideburns! The other couple completing the foursome included Norma McMasters and Bud Daugherty, former J.C. student. Norma looked lovely in a black crepe dress with cap sleeves. Four large squares alternating light blue and black composed the bodice ending in a brief peplum. Now for the campus!

Yvonne Swenson can't help but remind you of Christmas snow gone stylish when you see her in a very white wool coat with deep raglan sleeves. Ed Lanini looks as warm as toast in a blue and red wool plaid sport shirt. A beautiful shirt, Ed.

Charles Hushbeck has something different in a plaid shirt. The shirt is lightweight wool with yellow and red plaid on white! Another sport shirt to catch the eye is a small line check in red and blue being worn by Louie Escher. So casually right!

Anita Clarke is the gal who is looking very smart (and is) with long gathered wing sleeves. The gathered skirt is white plaid on the same gray. For the final collegiate touch, Anita adds one of those handy "holds all" shoulder strap bags.

'Tis rumored that Fred Peck is to really set the style at the Pi Delt barn dance in Castroville tonight. If he wears a certain BRIGHT red and BRIGHT yellow cowboy shirt he has worn in the past . . . he no doubt will!

Simplicity combined with new lines makes Joan Holcombe's white cotton blouse something special; Wide scallops edge the three-quarter length sleeves, the

Postgame Dance Very Successful

Under the very able direction of President Ruthie Alarid, the Newman Club members succeeded in presenting to the students a very attractively decorated men's gymnasium for the postgame dance last Friday.

The decorations in maroon and gold had a "circus tent" effect from the streamered ceiling. Refreshments were served to the large number of attending students and guests, while Herb Miller and his orchestra provided them with dance music. Due to fault found in the loudspeaker system, Holt Wood was forced to stop the skit he had prepared for the evening program.

ROOSENBURG . . .

(Continued From Page 1)

imprisoned with a death sentence. Fortunately, however, she was liberated two days before she was to be shot. She pointed out that three of their worst enemies, hunger, cold, and disease, are still to be combatted.

"I am telling you this because you can do something about it," she said, addressing the S.J.C. students. She asked that the students here contribute to the World Student Service Fund for "not charity, but solidarity." The funds will be sent to the students in foreign countries through the W.S.S.F., and "will not be touched by government," stated Miss Roosenburg.

The students are now, more than ever, eager to attend colleges and universities, according to Miss Roosenburg. Rubble is all that remains of many schools in Europe and China. Students are trying to study under most adverse conditions. Many are at the present time cold and hungry, without homes or beds, and wearing rags for clothing; yet, they spend relief money not only for food and clothing, but for materials with which to print books and re-establish their schools. It is the students of today who can prevent the next war, the speaker said.

Peter Pan collar and the round yoke. Three very nice details.

That dynamite (!) red battle jacket you've seen walking around is being worn by Tom Debord. Dazzling, isn't it!

'3' of Clubs

W.A.A.

A meeting of the Women's Athletic Association of the Salinas Junior College was held last Friday, November 3. W.A.A. president, Miss Mathilda Sharpe, revealed that the club is at present taking sign-ups for a speedball tournament. The tournament will commence next Wednesday and will continue through the month of November.

The W.A.A. also made plans at the meeting, last Friday, for a hockey tournament scheduled for the month of December. Sign-ups for that tournament are not yet being taken.

New provisions for acquiring points toward blocks were made at the meeting. Points may now be earned by golf driving at the practice golf course in the Alisal district.

WESTMINSTER

There will be a meeting of the Westminster Club this afternoon, in the Little Theater, at 3 o'clock. A movie entitled "The Road to Damascus," which is an incident in the life of the apostle, Paul, will be shown at this meeting. This movie is provided by the Presbyterian Church of Salinas.

Refreshments will be served at the commencement of the meeting, and following will be the election of officers for the 1946-47 year. After the election of officers, the movie will be shown. Special musical numbers provided by the Baptist Church will also be in order on the program.

NEWMAN

The Newman Club will meet this afternoon at 12:30 in the "Little Theater." Discussion at this meeting will be various means for the more progressive promotion of Newman Club activities. All Catholic students are expressively invited to attend.

Soroptimists Hold Luncheon

Talks by three social service workers will "spot" the special Soroptimist luncheon being held Tuesday noon. The luncheon will take place in the Home Ec dining room at 12 o'clock.

Miss Charlotte Bangert will be the principal speaker. Information on how to prepare for social service work, salaries being paid social workers, and opportunities for advancement in this type of work will be discussed.

Price of the luncheon is 30 cents.

Field Day Will Succeed Despite "Beardless"

One more week and the boys can shave, the women can cast their ribbons and dinks aside, and those individuals who refuse to enter into school spirit may take a dive into the mud hole.

The Whiskerino-Ribbonero ends with a big finale, which includes field day, dinner, and a dance, on Friday, November 15. The Whiskerino committee has been working hard to plan a most enjoyable field day which will include all kinds of games, mudhole brawl, frosh-sophomore tug-o-war and the dinner that evening in the cafeteria followed by a dance in the men's gym.

The men are getting fuzzier and fuzzier and the girls really look sharp with rags in their hair, which, of course, is the penalty for not wearing ribbons and dinks. Most S.J.C. students are showing great school spirit in this annual affair, but as in everything, there are a few individuals who object to almost anything.

The stocks that were constructed to punish contrary individuals were stolen last week by an anonymous character who calls himself "Beardless." This character has been leaving little notices around the halls of S.J.C. which threaten the success of the field day. One note, found at the scene of the crime when the stocks were stolen, read: "If you think the stocks are the end of it, just leave that mudhole unguarded." It was signed "Beardless."

Even though some malicious characters are roaming the halls, it is believed that all the students will enjoy the rousing field day planned for November 15. The complete program for field day will be published in next week's Panther Sentinel so that students interested will not miss any of the events for the day.

Next week is also the grand finale for Ribbonero. For three weeks, Ribbonero has been in existence. Many S.J.C. girls have co-operated wonderfully, but there have been a few who are poor sports about having to be troubled to wear a ribbon.

Originality, grandeur, and enormous size of ribbons are yet to be displayed this year. The girls are urged to bring to view their biggest and best ribbons next week, when the judges will have a watchful eye. Miss Handley asks that everyone plan to be present for the final judging of ribbons and awarding of prizes in the men's gym Friday night, November 15.

Life and Time On Sale at Bookstore

A new addition to the bookstore this week is the sale of "Life" and "Time" magazines. Subscriptions will be taken during regular store hours.

"Time" costs \$3.00 for the rest of this school year. A student year-subscription for "Life" is \$4.25; for "Time," \$4.50. Veterans will have a special rate. For them, a student subscription will be \$3.50 for each of the two magazines.

The deadline for G.I. subscriptions is December 31 of this year. Other students may subscribe any time, but the sooner they see Mr. Peavy, the sooner they get their books.

W.S.S.F. . . .

(Continued From Page 1)

no homes. The Chinese students are still going into the back country in order to achieve knowledge.

"What do they get?" Primarily, the students would be clothed, fed, and given living quarters, however inadequate they would be. Then, because it is what is wanted by those students, they would be given school materials, books, papers, pencils, and sometime, when the confusion of peace is over, schools . . . the universities which were destroyed completely by the Nazis.

"Why do WE have to help them?" We don't HAVE to help them, but because we are one of the few nations of the world left with our homes, our schools, and our food-filled cupboards, in the name of humanity, we can't turn our backs to these students. Not only humanity is involved, but rather the peace of the world. Education plus healthy, warm people add up to peaceful citizens of the world. As Miss Henriette Roosenburg stated to the Salinas Junior College students last Monday, "It is the students of today who can prevent the next war."

Norm: Do you know why radio announcers have little hands?

Rube: No.

Norm: Little pause for station identification.

Panther SPORTS

Sacramento Smothers Salinas Panthers

Speed and more speed was the keynote of the Sacramento attack as they pushed the Salinas J.C. Panthers farther into the depths of the N.C.J.C.C. standings with a 32-0 shellacking in last Friday's conference tilt.

Two Sacramento scat backs in the form of Roy Sules and Austin Brown proved the undoing of the local squad. Brown scampered across the double line for three scores while Sules accounted for the other two tallies.

The Salinas backs seemed to be suffering from a severe attack of fumblyitis during the first half of the contest as six of their misplays fell into the grasps of the invading gridders.

Sules opened the scoring for the Capital City lads as he broke off tackle and outraced the entire Salinas team for 53 yards and a T.D. in the opening minutes of the first period. The placement split the uprights for the seventh point.

Two plays later, Salinas' fumble was recovered by the ever-alert invaders and quickly converted into six points with Brown going 2 yards for the score.

Midway through the second period, the visiting Panthers turned another Salinas fumble into their third tally as Brown once more went into high gear on a 2-yard

jaunt to up the score to 19-0.

The locals started the second half as if they meant business when Napoli tossed to Chet Garner for 35 yards on the first play of the new half. The drive advanced to the Sacramento 15-yard line mainly due to the straight-ahead power of Don Burke. A pass interception offset the only Salinas scoring threat of the contest.

A fourth quarter fumble once more proved costly for the locals as a Sacramento man recovered on the Salinas 13. Two carries by Sam Lyons advanced the pigskin to the 5 from where Sules scampered over.

The final Sacramento score came as the result of a 79-yard drive with Brown skirting right end for 26 yards and the tally. The try for extra point was good.

The line bucking of Don Burke was the only offensive weapon that clicked for the locals, while the defensive playing of Bob Pia, Everett McAdams, and Earl Burns was the only bright spot from a Salinas standpoint.

Basketball Play To Begin During Thanksgiving

Coach G. Ed Adams announced today that official basketball practice would begin during the week of Thanksgiving holidays on Monday, November 25, at 3 o'clock.

Coach Adams stressed the fact that if any interested player could not make the holiday practice because of a job, or some unforeseen circumstance, that practice will be open to them on December 2.

The Panthers will spend the first few weeks of practice on fundamental drills, passing up several offered practice games.

The locals will play one conference game, and probably a few practice games before going to the Modesto Junior College Basketball tournament on January 9, 10, and 11.

Lettermen from last year's squad include: Ron Rico, Dean Dillingham, Wally Smith, Tony Mercante, Ray Belli, and Earl LeRoy.

Lumberjacks Hold Lead In Intramural Play

Intramural football entered its third week of play Monday with the idle Work's Lumberjacks still topping the league standings with two wins and no losses.

With each succeeding game, play becomes more intense, and the noon-time spectators are being treated to some first-rate touch-football.

Last Wednesday afternoon, Mercante's Manglers combined the speed of Ken Stivers and Dick Whitesides, and the passing of Les Hiserman to down a fighting team of Riordan's Rippers, 13 to 0.

Topper's Terrors garnered their third 1-to-0 win of the season when they tripped up the Scarlet Scavengers on Monday in the hardest fought contest of the season.

The Terrors gained but two feet more than the Scavengers in the final five downs to determine the winner. Paul Asmus and Jim Gillette were outstanding for the victors.

INTRAMURAL SPORTS PROGRAM

TURKEY TROT

Another revival of an old pre-war sport has taken place in Salinas Jaysee.

A turkey trot, formerly held as an annual affair, and one of the highlights of the intramural season will be held again.

The main idea of the turkey trot is to have the men who have signed up run the two and one-half miles. They will run the distance several times over a period of three weeks.

Points will be received in the order the runners finish. A first placer will receive one point, a second placer two, and so on down the line. The entry who has the lowest point total at the finish of the various runnings will receive a big, fat Thanksgiving turkey.

The course of the race will take the runners around the George Washington Grammar School, and the surrounding lettuce patches.

The sign-up sheet is now placed on the men's gym bulletin board for all those who wish to sign up.

PING PONG

With some matches already played off, the Salinas Jaysee intramural ping-pong tourney is swinging into full steam ahead.

Director G. Darwin Peavy has bracketed out the 22 entrants and matches are now being played off regularly.

Today is the deadline for all first-round matches to be played. It is the responsibility of the man in the bottom of the bracket pairing to arrange the game with his opponent. If he fails in scheduling the game, he will automatically be disqualified, and his opponent will be declared the winner.

TENNIS

All students who entered the tournament should look on the men's gym bulletin board for their pairings.

Although not enough students have signed up to warrant an intramural tennis tournament, Coach G. Darwin Peavy is still hoping that a few more students will express desire to play so the tournament can get under way in the near future.

If the number of sign-ups does not increase, Coach Peavy will make arrangements to hold a special tennis class for those interested.

Salinas and Stockton To Top Armistice Day

The Stockton Junior College Cubs, fresh from a 27-13 victory over the Monterey Legion last week, invade Salinas on Monday night at 8 o'clock to do battle with the hot and cold Salinas Panthers. This will climax an Armistice Day celebration by the Salinas American Legion. Coach Ed Adams' eleven, after flying high for two consecutive weeks, took a nose-dive last Friday, losing to a speedy Sacramento outfit by a somewhat shocking score of 2 to 0.

SALINAS NINE OPENS SEASON THIS SUNDAY

Panther diamond artists are busily preparing for their open-game against the Monterey American Legion nine in the newly-formed Peninsula Winter League which takes place Sunday afternoon at 2 o'clock on the Pacific Grove diamond.

Coach Dominic Campolo has been holding practice sessions each Tuesday and Thursday mornings in order to prepare his forces for the coming season. A starting line-up has not yet been announced. There is sharp competition for nearly every position on the squad.

Each of the five teams represented in the league will play an eight-game schedule with the games being played each Sunday afternoon on the Monterey and Pacific Grove diamonds.

Those signed up for the team include: Finis Jeffers, Chet Garner, Topper Arnett, Jim DeLorimer, Dean Dillingham, Frank Stone, Ray Belli, Charlie Monard, Roy Parker, Jim Gillette, Irving Parker, Tom Perez, Bob Pia, Roy Williams, and Tom Munoz.

Tomorrow is the day for the game of the year, and possibly the game of the century in collegiate football when Army and Notre Dame tangle in New York. Notre Dame should rule as betting-odds favorite, but public sentiment seems to favor the loyal sons of Army. Notre Dame has a great team, and if they can stop the hard-hitting Davis-Blanchard duo, they may well be called the best ever put out in South Bend.

Intramural football is enjoying a postwar boom in attendance during the noon hour on the junior college football field. These touch-football contests between six-man teams are proving to be the main source of lunch-time entertainment for a large part of the student body. The boys play fast, wide-open ball and put on a good show for the appreciative onlookers.

Salinas could climb back on the victory bandwagon by taking the Cubs into camp, but Stockton may not see eye to eye with this suggestion. In defeating the Monterey Legion last Saturday, Stockton worked off a quick-opening "T" formation with an emphasis on speed, the factor which set the Panthers back on their heels last time out. Coaches Adams and Dominic Campolo witnessed the contest, and have been working during the week on the weaknesses that were evident in the Stockton offensive and defensive game.

The Panthers showed a complete reversal of form in bowing to the Capital City eleven. Don Burke lived up to his press notices during the Sacramento fray until he was lifted to prevent a minor injury from developing into something serious enough to hamper his play for the rest of the season.

The Salinas line was outclassed by a small, yet spirited Sacramento forward wall, although Earl Burns, Bob Pia and Everett McAdams made a fairly good showing. Stockton's front line is hardly the best to be seen in this section of the state, yet they are not the type to take any undue shoving around.

The Panthers will have to take the cure for acute fumblyitis before they may expect to win a ball game. The locals lost the ball six times on six fumbles.

Coach Adams has been trying a two-point system for the backfield this week in practice, in an attempt to pull the team out of the hole. This system may work in some situations, but as the old saying goes, only four backs may be played at a time.

Major: "Your reports should be written in such a manner that even the most ignorant can understand them."

Corporal: "And what is it, sir, that you don't understand?"
